Since my re-election to the Isle of Wight Council in May 2017 I have been serving all the residents of Nettlestone and Seaview in the following ways:

I sit on as many of the Isle of Wight Council's Committees and boards as is possible, I am a member of the Planning Committee (this includes site visits), The IWC Pensions Board, The Fire Pension Board, and the Audit Committee.

Away from my Council duties I am involved with the community though taking part in the various activities that are so important to the residents of Nettlestone and Seaview. The Regatta Committee, The Hersey Nature Reserve, The Royal British Legion (Poppy Appeal Organiser), Trustee of Seagrove Pavilion, fund raiser for Seaview Football Club and a Committee Member of Nettlestone and Seaview Community Partnership. I also regularly attend Nettlestone and Seaview Parish Council and Pondwell Residents Association meetings.

Although I do not hold regular surgeries as such, I will make myself available at any time to help with any problems residents may have, should the need arise.
