
Annual Report 2019

Councillor George Cameron – Freshwater North Ward

In the last year I continued to represent residents in my ward. I am consistent when I deal with issues that arise and I find they are usually resolved very swiftly.

I serve on Freshwater Parish Council, I find this beneficial because this position compliments my work in county hall and I find working hand in hand with Freshwater Parish Council is vital and together we deliver important services to the community of Freshwater.

I serve on the planning committee, Policy and Scrutiny Committee for Adult Social Care and Health, and Policy and Scrutiny Committee for Children's Services. I do my very best to attend all meetings and I take my role in all these committees seriously. I feel we have achieved quite a lot in the past twelve months with all the decisions made at committee meetings.

I am also honoured to serve as Vice Chairman for the Council. This role gives me much pleasure and to deputise for our Chairman is a privilege. I continue to represent the island on the mainland and in my view it is important to raise and keep our profile high with our neighbouring counties.

I prioritise my work locally and make myself available to residents at all times. I attend "our place" at West Wight Community Centre every Tuesday morning when I can meet up with partner agencies and talk to local residents. I continue to do estate rounds with our housing officers, inspecting housing premises and taking up any issues that arises from these visits. I also continue to go on monthly drives in my area with our Highways Superintendent, this is very beneficial and together we pick up and deal with any highway issues, which are normally resolved quickly.
