32. [Report of the Head of Planning and Regulatory Services](#)

Members were advised that following the decision made by the Regulatory Committee on 10 December 2012 to agree the table of fares, a consultation process had been undertaken prior to the table of fares coming into force. Two representations had been received and it was suggest an increase in the charge for luggage should be considered. Licensing Officers recommended there be an increase to 20 pence per item of luggage.

Members were concerned with the recent rise in petrol/diesel prices and were advised that the price of fuel had been taken into consideration when setting the new table of fares.

**RESOLVED :**

- (i) THAT the current calculation method using AA figures amended to reflect local costs to calculate the Table of Fares, as agreed by the Regulatory Committee at its meeting of 10 December 2012 continue to be used.

- (ii) THAT the table of fares with the proposed amendments to the charge per item of luggage at Appendix 5 and to revise the implementation date to 27 March 2013 be modified and adopted.
