- (ii) By Councillor Chris Whitehouse

To move that this Council commits to regenerating the area of Newport Harbour to the benefit of all residents of Newport and the Island as a whole.

(iii) By Councillor Michael Lilley

Resolved that Isle of Wight Council supports the IW Red Box Project and campaign in their endeavour to raise awareness and tackle period poverty which results in an estimate of one in ten girls in IW schools not able to afford sanitary products through provision of free products in all schools across the Island.

(iv) By Councillor Debbie Andre

In accordance with Defra's 25 year plan, the government is undertaking the Glover Review of designated landscapes. There is currently a call for evidence which closes on 18th December, in respect of this review. This council calls on the administration to use the opportunity presented by the Glover Review to make representations to support the creation of a new designation of an "Island Park", which would be properly funded by government and come with appropriate powers. This would help to promote a sustainable economy for the Isle of Wight by protecting its unique environment, whilst supporting sustainable development to facilitate true and appropriate regeneration for the Isle of Wight.

(v) By Councillor John Nicholson

To move that this Council appreciates the important contribution that public houses make to communities and local economies around the Island; notes with concern the rate at which such businesses have closed in recent years; and encourages the current Administration to consider active engagement, when appropriate, to facilitate and encourage public houses to continue their trade.

(vi) By Councillor John Nicholson

This council recognises the freedom that service men gave to us by fighting in the 1st World War, allowing us to argue and disagree as a democracy and should reflect upon the traumas that they have suffered and in some cases continue to suffer. We should recognise and be more active in addressing those issues.

6. Member Question time of the Leader (30 minutes)

Questions must be delivered in writing or by electronic mail to the proper officer no later than 12 noon on Thursday, 15 November 2018.

Interests

If there is a matter on this agenda which may relate to an interest you or your partner or spouse has or one you have disclosed in your register of interests, you must declare your interest before the matter is discussed or when your interest becomes apparent. If the matter relates to an interest in your register of pecuniary interests then you must take no part in its consideration and you must leave the room for that item. Should you wish to participate as a member of the public to express your views where public speaking is allowed under the Council's normal procedures, then you will need to seek a dispensation to do so. Dispensations are considered by the Monitoring Officer following the submission of a written request. Dispensations may take up to 2 weeks to be granted.

Members are reminded that it is a requirement of the Code of Conduct that they should also keep their written Register of Interests up to date. Any changes to the interests recorded on that form should be made as soon as reasonably practicable, and within 28 days of the change. A change would be necessary if, for example, your employment changes, you move house or acquire any new property or land.

If you require more guidance on the Code of Conduct or are unsure whether you need to record an interest on the written register you should take advice from the Monitoring Officer - Helen Miles on (01983) 821000, email helen.miles@iow.gov.uk, or Deputy Monitoring Officer - Justin Thorne on (01983) 821000, email justin.thorne@iow.gov.uk.

Arrangements for Submitting Oral Questions at Meetings of Council and Cabinet:

The front desk “opens” for public wishing to attend the meeting half an hour before the meeting.

When signing in at the front desk as attending a Council or Cabinet meeting each member of the public is asked whether they wish to ask an oral question at the meeting AND/OR if the member of the public indicates themselves that they wish to ask an oral question.

In the circumstances that a member of the public wishes to ask an oral question, they will be given a form to complete which details their name, town/village of residence, email address and the topic of the question (not the question in full, unless they wish to provide this).

These forms will be numbered in the order they are handed back.

The time for registering questions will be for a 20 minute period (up to 10 minutes prior to the start of the meeting). After that time expires the forms will be collected and given to the Chairman of the meeting.

If time allows after dealing with any written questions, the Chairman will then ask those who have submitted a form to put their question. These will be in the order they were received. As the subject matter is known, the Chairman should be able to indicate which member will reply. If time permits the Chairman may accept further questions.

The option to ask a supplementary question will be at the Chairman’s discretion.

Once the defined period of time allowed for questions has passed (and assuming the Chairman has not extended this) then all remaining oral questions are left unanswered.

No oral question will receive a guaranteed written response, unless the member responding indicates as such.
