### 3 INTRODUCTION

- 3.1 This policy will become effective on 1 January 2014.
- 3.2 This document sets out the Isle of Wight Council's policy ("the policy") regarding the regulation of sex establishments and the procedure relating to applications for sex establishment licences.
- 3.3 This document relates to applications for Sex Establishment Licences covering;
- sex shops
  - sex cinemas
  - sexual entertainment venues
- As defined by the Local Government (Miscellaneous Provisions) Act 1982, as amended by the Policing and Crime Act 2009. This includes lap-dancing establishments.
- 3.4 The Council adopted Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 and the amendment under Section 27 of the Policing and Crime Act 2009 on 2 June 2010.
- 3.5 The Council is mindful of possible concerns within the local community with regard to applications for sex establishment licences and that there can be conflict between applicants and objectors. The Policy will assist the council when considering applications for licences in balancing the conflicting needs of commercial interests, patrons, employees, residents and communities. It will inform applicants and objectors of the parameters under which the council will make licence decisions as well as ensuring consistent decisions.
- 3.6 The procedure sets out:
- the process for making applications and objections
  - the process the council will follow when considering and determining an application for a Sex Establishment Licence
- 3.7 This policy will be reviewed every five years. All legislative amendments will be made automatically; all other changes will be subjected to a 28 day consultation period. Any representations will be determined by the Licensing Committee and if none are received, it will be recommended that the Committee re-adopt the policy.

- 7.4 The following organisations will be consulted and invited to submit representations on all applications:

- Local residents/businesses living within the vicinity of the proposed venue
  - Any representations made by the applicant
  - Residents or tenants associations
  - Community associations
  - Trade associations (where appropriate)
- 7.6 All representations must be received during the 28-day consultation period. Any representations received outside of this period will not normally be considered when determining an application.
- 7.7 All objections must be made in writing (email is acceptable) and must include the following:
- The name and address of the person or organisation making the objection;
  - The premises to which the objection relates;
  - The proximity of the premises to the person making the objection, a sketch map or plan may be helpful to show this;

- 7.9 A vexatious objection generally means one that is repetitive, without foundation or made for some other reason such as malice. A frivolous objection is generally taken to be one that is lacking in seriousness.
- 7.10 During the consultation period for all applications, the applicant shall on request of any of the organisations detailed in 7.4.3 to 7.4.8 allow an authorised officer a reasonable opportunity to enter the proposed sex establishment to make such examination and enquiries as may be necessary to determine the suitability of the applicant and of the premises.

## 8 DETERMINATION OF APPLICATIONS

- 8.1 If valid representations are received during the consultation period the application will be determined by the Licensing Committee at a hearing. The applicant and any persons who made representations may attend the hearing and will have the opportunity to address the committee during the hearing.
- 8.2 If there are no valid representations received, the application will be granted without the need for a hearing.
- 8.3 All applications will be determined within 20 working days following the 28-day consultation period.
- 8.4 The Act lists those people who are excluded from being able to hold a licence. A licence cannot be granted to:
- a person under the age of 18,
  - a person who is, for the time being, disqualified due to the person having had a previous sex establishment licence revoked in the area of the appropriate authority within the last 12 months,
  - a person, other than a body corporate, who is not a resident in a state within the European Economic Area (EEA), or
  - to a person who has, within a period of 6 months immediately preceding the date when the application was made; or
  - a body corporate which is not incorporated in an EEA state; or
  - a person who has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.
- 8.5 There is no right of appeal if an application is refused on the grounds listed in 8.4.
- 8.6 The grounds on which an application for the grant, renewal or transfer of a licence may be refused are set out in the Act. The council may also refuse a licence if:
- The applicant is unsuitable to hold a licence because they have been convicted of a relevant offence or for any other reason;
  - Were the licence to be granted, renewed or transferred, the business to which it relates would be managed or carried on for the benefit of a person other than the applicant, who would have been refused a licence if they had applied themselves.
  - The number of sex establishments or sex establishments of a particular kind in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality;
  - The grant or renewal of the licence would be inappropriate having regard to:

- a) the character of the relevant locality
  - b) the use to which any premises in the vicinity are put, or
  - c) the layout, character or condition of premises, vehicle, vessel or stall in respect of which the application is made.
- 8.7 The applicant will be required to demonstrate that he is a suitable person to hold a licence. In determining suitability, the council will normally take into account:
- previous knowledge and experience of the applicant;
  - any evidence of the operation of any existing/previous licence held by the applicant, including any licence held in any other local authority area;
  - any report about the applicant and management of the premises received from objectors or the police and any criminal convictions or cautions of the applicant;
  - any other relevant reason
- 8.8 The factors detailed in 8.6 and 8.7 above are not an exhaustive list of considerations but are merely indicative of the type of factors which may be considered in determining an application.
- 8.9 When determining an application the committee must have regard to all valid representations submitted during the 28-day consultation period.
- 8.10 The council also has discretion to consider representations made after the 28-day consultation period although this will be assessed on a case by case basis.
- 8.11 Where the council refuse to grant, renew or transfer a licence, it shall, provide in writing a statement of the reasons for its decision within 7 days of the hearing.
- 8.12 The council has not set a limit on the number of sex establishments or sex establishments of a particular kind. Each application for the grant, refusal, renewal, transfer or variation of a licence will be determined by the council on its merits on a case by case basis.
- 8.13 Considerations the Council will take into account include, but are not limited to, the following;
- proximity to educational establishments/youth activity venues,
  - proximity to places of worship,
  - any relevant planning issues at the time of the application,
  - adverse affects the premises may have on crime and disorder.

8.14 When considering a renewal application the council may take into account:

- Any perceived adverse impact arising from the operation of the premises;
- Whether appropriate measures have been agreed and put into effect by the applicant to mitigate any adverse impacts.

## **9 CONDITIONS**

- 9.1 When granting a Sex Establishment licence, the council is permitted to attach conditions and restrictions to that licence in the form of conditions specific to the individual licence under paragraph 8 of Schedule 3 of the Act.
- 9.2 In addition the council may make regulations under paragraph 13 of schedule 3 of the Act, prescribing standard conditions applicable to all licences for sex establishments, that is to say, terms, conditions and restrictions on or subject to which licences under this Schedule are in general to be granted, renewed or transferred by them.

## **10 DURATION OF LICENCE**

- 10.1 Sex establishment licences will normally be issued for one year, but may be issued for a shorter period if deemed appropriate by the council.

## 11 RIGHT TO APPEAL A DECISION

- 11.1 Applicants can appeal against the refusal of a grant, renewal, variation or transfer application, or against the decision to revoke the licence. They can also appeal against conditions or restrictions imposed.
- 11.2 Appeals must be made to the local Magistrates' Court within 21 days, starting with the date when the applicant is notified of the Council's decision. The notification will advise the address of the appropriate Magistrates' Court to which such an appeal should be made. A fee may be payable to the Court to lodge an appeal.
- 11.3 The Magistrates' Court will determine the appeal application and the council must comply with its decision.
- 11.4 It should be noted that a decision cannot be appealed if the application is refused on the grounds that;
- The number of sex establishments, or of sex establishments of a particular kind in the relevant locality at the time the application is determined is equal to, or exceeds the number which the authority considers is appropriate for that locality; or
  - The grant of the licence would be inappropriate considering the character of the area, the nature of other premises in the area, or the premises themselves.

Applicants may only challenge the refusal on these grounds by way of judicial review.
