Reference Number - 2021/no 14 Date – 25 June 2021

Newport Harbour – repairs to harbour walls

The council has awarded a contract to undertake repairs to walls at the southern end of the harbour.

The works will commence on 21 June and are scheduled for completion by 5 October 2021.

The works to the harbour walls consist of cleaning, repointing, replacement of missing stone/bricks/blocks, grouting of voids behind the walls and the formation of a protective toe in locations where the base of the wall has been under-scoured by river action.

Due to the nature of the works, and the requirement to align the working day with daylight hours and low water tides, extended working hours may be required.

During the works there will not be any visitor berths available to the south of the dual carriageway and no access to the slipway which is accessed from Sea Street.

Should you have any queries regarding the works, please do not hesitate to contact Newport Harbour (01983 823885) or email newport.harbour@iow.gov.uk

This LNTM will be cancelled as soon as the work is completed, and the Visitor pontoon are reinstalled along with its services.
