

Admission to Isle of Wight secondary schools for children due to transfer school in September 2019

For September 2019 five secondary schools will be foundation/trust or academy status, one will be a voluntary aided Church of England and Catholic secondary school and one will be a free school. Although these schools will be their own admission authority the local authority will support the independent admission processes of these schools. This section tells you about admissions to these schools.

If you are not sure what your nearest secondary school is, please contact school admissions and transport on 823455 to find out.

At what age does my child transfer to secondary school?

Your child will start secondary school (Year 7) at the beginning of the school year following their 11th birthday (i.e., they must be 11 years old by 31 August 2019.)

How do I apply for a place at secondary school for September 2019?

If your child is in Year 6 in September 2018 you should:

- Apply online at www.iwight.com/schooladmissions by midnight on 31 October 2018.
- If you have ticked that your child is applying for the school under medical grounds and/or is LAC, supporting evidence must also be received by School Admissions and Transport, County Hall by midnight on 31 October 2018.
- If you are applying for a place at Christ the King College or the Island Free School you must also complete their supplementary information form and return it direct to the school by the time stated in the school admissions policy on 31 October 2018.

PLEASE NOTE: If you do not complete the local authority application form **AND** the supplementary information by the closing date your application will be classed as Late and will not be considered until after those that were received on time. If you do not complete both forms your application **will not** be able to be ranked in accordance with the oversubscription criteria of the school and will be processed after all those who have completed both the local authority application form and the supplementary information form, including those who were Late.

Alternatively you can request a paper common application form by telephoning 01983 823455. You should then:

- complete the common application form and return to School Admissions and Transport, County Hall by midnight on 31 October 2018.
- If you have ticked that your child is applying for the school under medical grounds and/or is LAC, supporting evidence must also be received by School Admissions and Transport, County Hall by midnight on 31 October 2018.
- If you are applying for a place at Christ the King College or the Island Free School you must also complete their supplementary information form and return it direct to the school by the time stated in the school admissions policy on 31 October 2018.

PLEASE NOTE: If you do not complete the local authority application form **AND** the supplementary information by the closing date your application will be classed as Late and will not be considered until after those that were received on time. If you do not complete both forms your application **will not** be able to be ranked in accordance with the oversubscription criteria of the school and will be processed after all those who have completed both the local authority application form and the supplementary information form, including those who were Late.

ADDITIONAL INFORMATION: We cannot accept responsibility for forms posted, or submitted online, that are not received by the closing date. If you are applying online, once the form has been fully submitted you will receive an email confirmation. If you are completing the paper common application form, we advise you to return your form in good time (with the correct postage – please note that postage is based on the size and weight of the envelope and may need to be weighed at the Post Office) and enclose a stamped addressed envelope so we can confirm it has been received in the school admissions office.

Can I apply on-line for a school place for my child after the closing date?

No. Once our closing date of midnight on 31 October 2018 has passed all applications or change of preference, must be notified to the local authority in writing. If it is a change of preference, a new application form does not need to be completed you can either send a letter with your changes to School Admissions and Transport, County Hall or an email to school.admissions@iow.gov.uk.

What address is used for school admissions purposes?

The address you give on the application form must be the one on the Island where you and your child usually live, i.e. in the case of admissions for September 2019 the relevant address will be where you and your child are living on 31 October 2018.

If the child resides with each parent during the week, the address on the application form must be the address at which they spend most of their time.

If there is a dispute over the address of the child, then you must provide a residency order, issued by the court, if you wish us to consider that address.

Any attempt to seek admission to a school on the basis of an address other than the normal family home (even if the other property is owned or rented by you) will be regarded as providing false information and will be treated accordingly (see below).

We cannot offer places based on a possible future address. If you have already submitted your application and you move home, please inform school admissions in writing of your new address. If this change is received by midnight on the 31 October 2018 your application will still be 'on time', if the change is received after midnight on the 31 October 2018 it will be classed as 'late'.

If you are moving to the Island from the mainland, under Inter-Authority working you will need to apply for a place at an Island school via your current local authority. They will inform us of the application.

For families of service personnel with a confirmed posting to the area, or crown servants returning from overseas to live within the area. The application will be considered if it is accompanied by an official letter i.e. MOD, FCO or GCHQ, that declares you will be posted to live within the area.

Parental Responsibility

All parents/carers with parental responsibility for the child must agree on the preferred schools listed. If there is a dispute this can not be resolved by the local authority and until an letter signed by all with parental responsibility or a court order stating the school or who has responsibility for determining the education, any application made will not be processed.

Please note: If the application is not made and agreed upon by the closing date it will be classed as 'late' and will not be processed until after all 'on-time' applications. This could mean that your preferred schools/s are full and your child will be placed in the nearest school with vacancies.

How many schools can I state a preference for?

You can state a preference for three secondary schools. It is important to consider naming your nearest secondary school as one of your three preferred schools. If you do not do so, you may be offered a place at a school some distance from your home address if your three preferred schools are over subscribed and we cannot offer you a place there. You should also make sure you put the schools you would most like your child to attend in priority order.

By law, we have to consider applications we receive by the closing date first. If you apply after this date, even a day later, we will not consider your application until after we have considered those we received on time.

What happens if I give false information to get a place at a school?

We thoroughly check all applications. If we discover that you have used false information (such as an incorrect address), after we have offered your child a place, we will withdraw that place.

How are places at a school allocated?

Pupils with special educational needs who have a particular school named in their statement must be admitted to the school. For further information please contact the special educational needs section on (01983) 821000 or email SEN@iow.gov.uk. These children will be included in the admissions number of the school.

Each of our secondary schools have their own Admissions Policies which set out their oversubscription criteria. These can be found at www.iwight.com/schooladmissions.

After all your preferences have been considered and if more than one place can potentially be offered the single offer is for the school ranked the highest on your application form.

If there are more applicants than remaining places within any of the oversubscription criteria for the secondary schools, home-to-school distance will be used as a tiebreaker with those living closer being offered places first.

We will measure in a straight line using the local authority's Geographical Information System (GIS) from the centre of the building of the home address to the centre of the school building, with those living closer to the school receiving the higher priority.

If the distances are equal (for example with a block of flats), lots will drawn by an independent person to determine the allocation.

If only one place at a school is available within the admissions number and there are multiple birth in the family who have the next highest priority within the oversubscription criteria, we will offer places to both.

What happens if I return the form late?

If you return the form after the closing date, even a day later, and the nearest school to your home address is full as a result of applications sent in on time, your child will not get a place there. If this happens you can appeal. Also, you can request to be placed on the waiting list of your preferred secondary school.

This also applies to the supplementary information form you will need to complete and return to either Christ the King College or the Island Free School. If you do not complete the supplementary information form, your application **will not** be able to be ranked in accordance with the oversubscription criteria of the school and will be processed after all those who have completed both the local authority application form and the supplementary information form, including those who were Late.

What happens if I want to change my preference after the closing date?

We recognise that some parents may wish to change their preferred school(s) after the closing date due to, for example, moving house. If you wish to do this you should write to the school admissions office at County Hall or email school.admissions@iow.gov.uk immediately. You cannot apply online for a change of preference after our closing date of 31 October 2018. Please remember, however, that your application will then be treated as late and children of parents who have applied for a place at a school by the published closing date will have priority for admission over those who change their preferences after the closing date. This means that, even though you may have moved closer to another secondary school, your child may not get a place there if it is already oversubscribed. If this

happens you can appeal and your child's name can be added to the waiting list.

When will I hear whether I have got the place I wanted?

We will post the letter, from our office, with the result of your application on 1 March 2019 (National offer day.) If you applied online for a school place for your child the result will also be emailed to you on this date, as long as you did not opt out of receiving information from the Isle of Wight Council.

My application has been refused – can I appeal?

If we cannot offer your child a place at your preferred schools, you can appeal to an appeals panel which is totally independent of us. A 'Notice to Appeal' form appeal form will be enclosed with the letter you receive. If you applied online and have requested a reply by email you will be able to download or complete an appeal form online at www.iwight.com/Residents/Schools-and-Learning/Education-Appeals/Tasks and the booklet which explains how to make an appeal from our website at www.iwight.com/Residents/Schools-and-Learning/Education-Appeals/Appeals-Timetable and click on the 'Appeal Guide for Parents' tab. As well as making your appeal in writing, we recommend that you go to the appeal hearing to present your case. You can bring a friend to support you. The decision of an appeals panel is binding on us.

In exceptional circumstances, a second appeal may take place if you are able to provide new evidence which could not have been introduced at the time of the original appeal hearing.

Can I put my child's name on a waiting list?

Children refused a place(s) at their preferred secondary school will automatically be placed on a waiting list for that school unless you specifically request that this must not happen. In the case of Christ the King College and the Island Free School, you will have to request to be placed on their waiting list. Your child will be removed from the list only on obtaining a place at the preferred school or at the end of the school year. If you subsequently accept a place at an alternative school, you will be asked if you wish to remove your child from the waiting list at your preferred school.

Where your child is placed on the school's waiting list depends upon the oversubscription criteria set out in the school admissions policy. We do not give priority on a first-come first-served basis. If you apply late but live very close to the school, your child may go to the top of the waiting list or very near to it. Please remember that your child's position on the waiting list can change, moving up and down as others join the list or are removed from it.

Waiting lists for September 2019 admissions will be established for the first time on 15 March 2019.

If you want to know where your child is on a waiting list you can contact the relevant admission authority. All secondary schools are their own admissions authority.

What happens if I move house after I have received the offer of a school place?

If you have received a letter offering your child a place at your preferred school, and you then move house, you can keep that school place. Please remember, though, that you may be responsible for travel arrangements (including bus fares etc) to that school. If you would like to state a preference for a different school, please contact the school admissions team in writing or by emailing school.admissions@iow.gov.uk.

Fair access protocol

The Isle of Wight Council has a fair access protocol which gives priority to admissions for certain categories of school age children. This protocol relates to admissions throughout the year. The protocol will take priority above the school's admission policy for those on a school's waiting list and the local authority may require schools to admit above their published admissions number. The policy can be found by following the link on www.iwight.com/schooladmissions.
