

Admission to Isle of Wight secondary schools for children due to transfer school in September 2020

For September 2020 four secondary schools are foundation/trust or academy status, one is voluntary aided Church of England and Catholic secondary school, one is a free school and one is a voluntary controlled all through school. Although the majority of these schools will be their own admission authority the local authority will support the independent admission processes of these schools. This section tells you about admissions to these schools.

If you are not sure what your nearest secondary school is, please contact school admissions and transport on 823455 to find out.

At what age does my child transfer to secondary school?

Your child will start secondary school (Year 7) at the beginning of the school year following their 11th birthday (i.e., they must be 11 years old by 31 August 2020.)

If your child is currently on roll in Year 6 at The Bay CE School, they will automatically transfer in to Year 7 in September 2020. If you require a place at another Island Secondary School, you can make an application to attend this school for September 2020.

How do I apply for a place at secondary school for September 2020?

If your child is in Year 6 in September 2019 you should:

- Apply online at www.iwight.com/schooladmissions by midnight on 31 October 2019.
- If you have ticked that your child is applying for the school under medical grounds and/or is LAC, supporting evidence must also be received by School Admissions and Transport, County Hall by midnight on 31 October 2019.
- If you are applying for a place at Christ the King College or the Island Free School you must also complete their supplementary information form and return it direct to the school by the time stated in the school admissions policy on 31 October 2019.

PLEASE NOTE: If you do not complete the local authority application form **AND** the supplementary information by the closing date your application will be classed as Late and will not be considered until after those that were received on time. If you do not complete both forms your application **will not** be able to be ranked in accordance with the oversubscription criteria of the school and will be processed after all those who have completed both the local authority application form and the supplementary information form, including those who were Late.

Alternatively you can request a paper common application form by telephoning 01983 823455. You should then:

- complete the common application form and return to School Admissions and Transport, County Hall by midnight on 31 October 2019.
- If you have ticked that your child is applying for the school under medical grounds and/or is LAC, supporting evidence must also be received by School Admissions and Transport, County Hall by midnight on 31 October 2019.
- If you are applying for a place at Christ the King College or the Island Free School you must also complete their supplementary information form and return it direct to the school by the time stated in the school admissions policy on 31 October 2019.

PLEASE NOTE: If you do not complete the local authority application form **AND** the supplementary information by the closing date your application will be classed as Late and will not be considered until after those that were received on time. If you do not complete both forms you

application **will not** be able to be ranked in accordance with the oversubscription criteria of the school and will be processed after all those who have completed both the local authority application form and the supplementary information form, including those who were Late.

ADDITIONAL INFORMATION: We cannot accept responsibility for forms posted, or submitted online, that are not received by the closing date. If you are applying online, once the form has been fully submitted you will receive an email confirmation. If you are completing the paper common application form, we advise you to return your form in good time (with the correct postage – please note that postage is based on the size and weight of the envelope and may need to be weighed at the Post Office) and enclose a stamped addressed envelope so we can confirm it has been received in the school admissions office.

Can I apply on-line for a school place for my child after the closing date?

No. Once our closing date of midnight on 31 October 2019 has passed all applications or change of preference, must be notified to the local authority in writing. If it is a change of preference, a new application form does not need to be completed you can either send a letter with your changes to School Admissions and Transport, County Hall or an email to school.admissions@iow.gov.uk.

What address is used for school admissions purposes?

The address you give on the application form must be the one on the Island where your child usually lives, e.g., in the case of admissions for September 2020 the relevant address will be where your child is living on **31 October 2019**.

If the child resides with each parent during the week, the address on the application form must be the address at which they spend most of their time.

If there is a dispute over the address of the child, then you must provide a residency order, issued by the court, if you wish us to consider that address.

NB – Any attempt to seek admission to a school on the basis of an address other than the normal family home (even if the other property is owned and rented out by you) will be regarded as providing false information and will be treated accordingly (see below)

We cannot offer places based on a possible future address. If you have already submitted your application and you move home, exchange contracts or have signed a tenancy agreement for a new address, please inform School Admissions in writing of your updated address. If this is received by midnight on the 31 October 2019 your application will still be 'on time', if this is received after midnight on the 31 October 2019 it will be classed as 'late'.

If you are moving to the Island from the mainland, under Inter-Authority working you will need to apply for a place at an Island school via your current local authority. They will inform us of the application.

For families of service personnel with a confirmed posting to the area, or crown servants returning from overseas to live within the area. The application will be considered if it is accompanied by an official letter i.e. MOD, FCO or GCHQ, that declares you will be posted to live within the area.

Parental Responsibility

All parents/guardians with parental responsibility for the child must agree on the preferred schools listed. The local authority will assume all parents/guardians agree on the application submitted unless informed otherwise. If there is a dispute this can not be resolved by the local authority. If the local authority is informed of a dispute they will process the application made by the parent with whom the child resides the majority of the time, unless an official court document states otherwise.

Please note: If the application is not made and agreed upon by the closing date it will be classed as 'late' and will not be processed until after all 'on-time' applications. This could mean that the preferred schools/s are full and your child will be placed in the nearest school with a place available.

How many schools can I state a preference for?

You can state a preference for **three** secondary schools including foundation trust, church aided and academy primary schools. It is important to consider naming your nearest school as one of your three preferred schools. If you do not do so, you may be offered a place at a school some distance from your home address if your three preferred schools are over subscribed and we cannot offer you a place at any of these.

By law we have to consider applications we receive by the closing date first. If you apply later, even a day later, we will not consider your application until after we have considered those we received on time.

What happens if I give false information to get a place at a school?

We check all applications. If we discover that you have used false information (such as an incorrect address or date of birth), after we have offered your child a place, we will withdraw that place.

How many pupils can a school give places to?

Each school has a published admissions number (PAN). This is the maximum number of places available for the new intake each year.

Published admissions numbers for secondary schools are shown on a separate document at www.iwight.com/schooladmissions.

The published admissions number is the most important factor when the local authority, church-aided, foundation, or academy schools consider applications for places. However, if there are more applications than places available, the admissions authority for each school will use the oversubscription criteria stated in their Admissions Policy to allocate places.

How are places at a school allocated?

Pupils with special educational needs who have a particular school named in their Education, Health and Care Plan (EHCP) must be admitted to the school. For further information please contact the special educational needs section on (01983) 821000 or email SEN@iow.gov.uk. These children will be included in the admissions number of the school.

Each of our secondary schools have their own Admissions Policies which set out their oversubscription criteria. These can be found at www.iwight.com/schooladmissions.

If there are more applicants than remaining places within any of the above criteria the home-to-school distance will be used as a tiebreaker with those living closer being offered places first.

We will measure in a straight line using the local authority's Geographical Information System (GIS) from the home address to the centre of the school building, with those living closer to the school receiving the higher priority.

In the event of a tie between two or more children when applying home-to-school distance as a tiebreaker and where there are not enough places available to offer all those children a place at the school, a random allocation will be carried out by the local authority. This will be in the form of a 'lucky dip' which will be overseen by an independent person from the Corporate Governance Team.

If the distances are equal (for example with a block of flats), lots will drawn by an independent person to determine the allocation.

If only one place at a school is available within the admissions number and there are multiple birth in the family who have the next highest priority within the oversubscription criteria, we will offer places to all multiple birth siblings.

After all your preferences have been considered and if more than one preference can potentially be offered, the single offer is for the school ranked the highest preference on your application form.

What happens if I return the form late?

If you complete the form after the closing date, even a day later, and the school/s applied for are full as a result of applications completed and received on time, your child will not be allocated a place there. If this happens your child's name will be placed on a waiting list in a community or controlled school or you can request to be placed on the waiting list of a foundation, trust, aided or academy school. You also have the right to appeal the decision, further information on the appeals process and to submit an appeal can be found at: <https://www.iow.gov.uk/Residents/Schools-and-Learning/Education-Appeals/Appeals-Timetable>

This also applies to the supplementary information form you will need to complete and return to either Christ the King College or the Island Free School. If you do not complete the supplementary information form, your application **will not** be able to be ranked in accordance with the oversubscription criteria of the school and will be processed after all those who have completed both the local authority application form and the supplementary information form, including those who were Late.

What happens if I want to change my preference after the closing date?

We recognise that some parents may wish to change their preferred school(s) after the closing date due to, for example, moving house. You cannot make any changes to your online application after our closing date of midnight on 31 October 2019. If you wish to do this you should write to the school admissions office at County Hall immediately or email your updated preferences to school.admissions@iow.gov.uk. Please remember, however, that your application will be treated as 'late' and children of parents who have applied for a place at a school by the closing date will have priority for admission over those who change their preference or home address after the closing date. This means that, even though you may have moved closer to another secondary school, your child may not get a place there if it is already oversubscribed. If this happens your child's name will be placed on a waiting list in a community or controlled school or you can request to be placed on the waiting list of a foundation trust, aided or academy school. You also have the right to appeal the decision, further information on the appeals process and to submit an appeal can be found at: <https://www.iow.gov.uk/Residents/Schools-and-Learning/Education-Appeals/Appeals-Timetable>

When will I hear whether I have got the place I wanted?

We will post the letter, from our office, with the result of your application on 2 March 2020 (National offer day.) If you applied online for a school place for your child the result will also be emailed to you on this date, as long as you did not opt out of receiving information from the Isle of Wight Council.

My application has been refused – can I appeal?

If we cannot offer your child a place at your preferred schools, you can appeal to an appeals panel which is totally independent of us. A 'Notice to Appeal' form will be enclosed with the letter you receive. If you applied online and have requested a reply by email you will be able to download or complete an appeal form online at www.iwight.com/Residents/Schools-and-Learning/Education-Appeals/Tasks and the booklet which explains how to make an appeal from our website at www.iwight.com/Residents/Schools-and-Learning/Education-Appeals/Appeals-Timetable and click on the 'Appeal Guide for Parents' tab. As well as making your appeal in writing, we recommend that you go to the appeal hearing to present your case. You can bring a friend to support you. The decision of an appeals panel is binding on us.

In exceptional circumstances, a second appeal may take place if you are able to provide new evidence which could not have been introduced at the time of the original appeal hearing.

Can I put my child's name on a waiting list?

Children refused a place(s) at their preferred secondary school will automatically be placed on a waiting list for that school unless you specifically request that this must not happen. In the case of Christ the King College, Ryde Academy and The Island Free School, you will have to request to be placed on their waiting list. Your child will be removed from the list only on obtaining a place at the preferred school or at the end of the school year. If you subsequently accept a place at an alternative

school, you will be asked if you wish to remove your child from the waiting list at your preferred school.

Where your child is placed on the school's waiting list depends upon the oversubscription criteria set out in the school admissions policy. We do not give priority on a first-come first-served basis. If you apply late but live very close to the school, your child may go to the top of the waiting list or very near to it. Please remember that your child's position on the waiting list can change, moving up and down as others join the list or are removed from it.

Waiting lists for September 2020 admissions will be established for the first time on 16 March 2020.

If you want to know where your child is on a waiting list you can contact the relevant admission authority. All secondary schools are their own admissions authority.

What happens if I move house after I have received the offer of a school place?

If you have received a letter offering your child a place at your preferred school, and you then move house, you can keep that school place. Please remember, though, that you may be responsible for travel arrangements (including bus fares etc) to that school. If you would like to state a preference for a different school, please contact the school admissions team in writing or by emailing school.admissions@iow.gov.uk.

Fair access protocol

The Isle of Wight Council has a fair access protocol which gives priority to admissions for certain categories of school age children. This protocol relates to admissions throughout the year. The protocol will take priority above the school's admission policy for those on a school's waiting list and the local authority may require schools to admit above their published admissions number. The policy can be found by following the link on www.iwight.com/schooladmissions.
