Dear Parents/Carers

First of all can I give you a very warm welcome to Arreton St George's Primary school. We are looking forward to welcoming you and your child into our school family. Under normal circumstances we would be busy arranging home visits and stay and play sessions but unfortunately this does not look like being possible this year.

We will be sending your welcome pack out in the post as normal so you should receive it within the next week or so. This will provide you with information about the school and its routines. You can also visit our website: www.arretoncepri.iow.sch.uk for more information.

If your contact details have changed from those provided on your application please email your new details to me at the address below.

As the current situation is updated and plans to return to school become clear we will contact you with details of our plans for September. Please be assured we will be mindful of the lack of preparation time and unusual situation your child has recently experienced when putting together the starting school plan. You as parents are the person who knows your child best and will be consulted at every stage.

If you have, any questions or concerns please feel free to email me at: m.herbert@arretoncepri.iow.sch.uk and I will get back to you as soon as possible.

Please take care, stay safe and well and we look forward to meeting you all very soon.

Yours sincerely,

Mrs Maria Herbert and Mrs Bev Eustace
