April 2020

Dear Parent/Carer,

We are delighted that you and your child will be joining us at Dover Park in September 2020.

I hope this letter finds you well during this very uncertain time. I know you will be fully aware that over recent weeks our Government has taken steps that are unprecedented in the history of this country. The decision to close all schools, except to a minority of children, is an essential part of the fight against the spread of Covid-19.

I understand you may have concerns and questions about how the closure of schools will impact upon your son/daughter's transition to primary school. I would, therefore, like to reassure you the transition process is a priority for me at this time, and I will be working with my colleagues in our reception class to come up with a new transition package. As soon as I can give you the details of this I will write to you again.

If you could please provide us with your contact details, as detailed below, it will make it easier for us to keep in touch with you in the coming weeks/months. You can send us your details by post to the address above, via email to office@doverparkpri.iow.sch.uk or contact us by telephone at 01983 562617.
