

ADMISSION TO HUNNYHILL PRIMARY SCHOOL – 2020

We are delighted to hear from the Local Authority that your child will be joining us at Hunnyhill.

We are very excited about welcoming you and your family to our school. We are proud of all our pupils and hope that you are looking forward to a successful learning journey with us at Hunnyhill Primary School where our pupils are 'Proud To Belong'.

Obviously in light of the current unprecedented situation we are all facing, we are currently unable to provide you specific details around the dates and method of transition this year. However, please be assured that once we have received guidance from the Local Authority regarding a date when all children should return we will of course be in touch with a timetable for transition.

In the meanwhile, the Local Authority have provided us with the e-mail address which you gave when you made your application and we will use this to send any relevant documentation we need you to complete. **If you have changed your e-mail address since you submitted your application to the Local Authority, please can you send an updated one to parent.contact@hunnychillschool.co.uk at your earliest opportunity in order that we can make contact with you.**

We aim to send out our initial registration paperwork to you via email by no later than Friday 24th April and our Early Years team will make contact with you shortly afterwards.

Please keep an eye on our school website (www.hunnychillschool.co.uk) for further information about the school.

Yours sincerely

Mrs Lisa Steedman
