**ISLE OF WIGHT RECORD OFFICE
COVERING DATES FOR PARISH REGISTERS**

Abbreviations:
C Christenings M Marriages B Burials

This List has been drawn up to show where the most important gaps occur in the coverage of parish registers. Banns are not included. In many cases it is difficult to be sure whether a missing year in the records is the result of the loss of all, or part, of a register, or to the failure of the incumbent to enter details. In smaller parishes there may not have been a christening or a burial every year, and certainly not a marriage. For this reason some of the smallest gaps (less than 5 years) have been omitted. The covering dates for burials should be treated with particular caution, particularly in those parishes where civil cemeteries were established in the 19th Century (usually but not exclusively in urban areas). Registers will continue to list those buried in existing family plots in the churchyard, but not those interred in the civil cemetery.
