

## Bringing Museums into Schools - Subsidised Museum Workshops and Virtual sessions for the Summer term

Dear Schools

We will let you know as soon as our sites are open again – and we look forward to welcoming you back! But in the mean-time please see below for some exciting opportunities for the Summer term. To find out more please contact [estelle.baker@iow.gov.uk](mailto:estelle.baker@iow.gov.uk) – 07813 021486

With thanks and best wishes

The Museums and Schools Team.

### Explore our sites from your classroom – The virtual experience! – Try it out for just £30 per class.

Cannot visit our museums yet? Let us bring our sites to your classroom virtually – through a video introductory tour, live Q&A with one of our experts and fun activity ideas.

## Digital collections in your classroom – We bring our museums to you! – Try it out for free

Complement your selection of 'sites from your classroom' and 'interactive collection workshops' with a play of our new interactive digital heritage collection maps for KS2 and KS3. Available from 2<sup>nd</sup> April!

Find out more here:

<https://theearthmuseum.co.uk/ks2-and-ks3-isle-of-wight-museum-digital-heritage-maps>

## Collections in your classroom – We bring our museums to you! – Try it out for just £45 per class

We have a selection of interactive workshops which we can bring to your school. The sessions will be led by one of our expert educators and we will work with your teachers to create a Covid risk assessment for each visit and activity.

Museum focus	Workshop title and description	Cost
<b>Brading Roman Villa</b>	<u>KS2: Impact of the Romans</u> : How did the Romans change daily life and why were they accepted rather than attacked. Use photographs and videos to compare Iron Age and Roman artefacts. Then assess what they tell us about the changes.	<b>£45</b>
<b>Carisbrooke Castle Museum</b>	<u>KS1 &amp; KS2: One Thousand Years in A Castle</u> : What are the main features of Carisbrooke Castle and how it has changed over time? How was the castle defended? Investigate five significant people that lived at Carisbrooke Castle by matching labels to objects and taking an active role in the re-telling of the story of the castle.	<b>£45</b>
<b>Classic Boat Museum</b>	<u>KS1 &amp; KS2 - 'S.O.S.' Safety at Sea</u> : How is safety at sea today different from the past? Learn about maritime innovations that happened on the Island at the same time that the Titanic was being built. Look at examples of the lifeboats from the museum's collections.  <u>At KS1</u> Learn about the different jobs on board Titanic through matching costumes and artefacts to the people on the ship.  <u>For KS2</u> : How and why was safety at sea improved and what technology made these developments possible? Learn about safety at sea in the past and how signalling and Morse code was used to save lives.	<b>£45</b>
<b>Dimbola Museum and Galleries</b>	<u>KS1 &amp; KS2: Julia Margaret Cameron &amp; The Victorians</u> : Find out about Julia Margaret Cameron, pioneer Victorian photographer, the famous people she photographed. Pupils investigate a wide range of artefacts to bring to life the people that lived at Dimbola	<b>£45</b>
<b>Museum of Island History</b>	<u>KS2 Prehistoric Isle of Wight</u> : Students will find out about the latest discoveries on the Island and investigate changes in lifestyle and technology from the Stone Age to the Iron Age. This will be done by investigating artefacts that have been found on the Island.	<b>£45</b>
<b>Newport Roman Villa</b>	<u>KS2 - What The Romans Did For Us</u> : How did life change after the Roman's came to Britain? The investigation will use three basic human needs: food, clothing and shelter to scaffold the pupils' learning. Pupils will also compare the armour of a Roman legionary and a Celtic warrior and discover how bathing and building techniques changed after the Romans came to Britain.	<b>£45</b>
<b>Shipwreck Centre and Maritime Museum</b>	<u>KS1 &amp; KS2 - Maritime Archaeology</u> : Explore how archaeologists work under the water! Look at footage of dives and discuss the dive equipment that we use today. Students will also be able to explore the science behind diving and the challenges of working in watery environments. This session can be adapted to any age group.	<b>£45</b>
<b>Anglo Saxons on the Isle of Wight</b>	<u>KS2</u> : Students will learn about the Anglo-Saxon invasion and the countries that they migrated from. Our educator will bring replica items from a local Anglo Saxon site into the classroom for your students to investigate.	<b>£45</b>
