1.	<p><b>Welcome and Introduction</b> – Amanda Gregory welcomed everyone to the meeting and asked Community Safety Partnership (CSP) members to briefly introduce themselves for the benefit of the public members present.</p> <p>She also explained the background of the CSP, that it was a statutory partnership with a purpose is to tackle crime and disorder and anti-social behaviour (ASB) on the IOW. Partners work together to find ways to reduce this and generally improve conditions for those living and working on the IOW.</p>
2.	<p><b>Questions from the Public</b></p> <p>Some questions have been provided in advance and others were presented and answered at the meeting. Please see the attached document.</p>
3.	<p><b>Minutes and Actions from the last Meeting on 29 June 2017</b></p> <p>The minutes from the last CSP Meeting held on 29 June were approved. The Action Sheet was updated as attached.</p>
4.	<p><b>Strategic Plan Progress and Exception Report – Helen Turner</b></p> <p>The report was presented by Helen Turner focussing on those items that are amber or red and was updated as attached.</p>
5.	<p><b>Report from DAAT Board/Substance Misuse Strategy – Gilles Bergeron</b></p>

	<p>Gilles Bergeron presented a slide show on the Substance Misuse Strategy as attached. Key points:</p> <ul style="list-style-type: none"> <li>• There will be a meeting at the end of January to look at the links between criminal justice and substance misuse on the IOW.</li> <li>• The CSP Partners should have the opportunity to comment before endorsement of the strategy.</li> <li>• It was noted that there are a number of recommendations and there is concern over who will take ownership. Needs to be prioritised and see where items are being covered elsewhere. Identify what is business as usual and be more specific on what we are trying to achieve.</li> <li>• Suggested that part of the report is looked at/updated each year as the whole will not remain relevant for the planned period.</li> <li>• The issues around mental health to be shared with CCG.</li> <li>• Need further investigation to include housing in the strategy.</li> <li>• There is more work to be done and Gilles will take this back to the next DAAT Board with the comments so far.</li> </ul>
6.	<p><b>LAAA Presentation – Helen Turner</b></p> <p>Due to time constraints this will be circulated to the group.</p>
7.	<p><b>Serious Organised Crime Local Profile – Sarah Jackson</b></p> <p>From the document circulated with the agenda, Supt Sarah Jackson proposed that this was something that we need to be mindful of in terms of risk that may not yet be here yet, but may well develop in the future and as a partnership include these in our forward planning.</p> <p>It was suggested that there should be a CSP Priorities Workshop in the New Year and that the Head of Intel could do a presentation to the group at this time. Helen Turner suggested that Anya from the PCC's office could also attend to report on the analytical work she is completing for the CSP.</p>
8.	<p><b>Scrutiny Recommendations – Amanda Gregory</b></p> <p>Due to time constraints this will be circulated to the group.</p>
9.	<p><b>OPCC Safer Funding bids – Helen Turner</b></p> <p>Due to time constraints this will be circulated to the group</p>
10.	<p><b>Forward Plan – Amanda Gregory</b></p> <p>Due to time constraints this will be circulated to the group for agreement by the group.</p>
11.	<p><b>Date of Next Meetings:</b></p> <p>The next meeting is scheduled for 21 March 2018 at 10am. It was suggested that the next CSP meeting which includes members of the public is extended to three hours to accommodate the questions from the public and also the meeting agenda. Also to be considered different times of day to accommodate more members of the public and find other channels from which to engage members of the public.</p>
