

Isle of Wight Children and Young People's Plan 2017-2020

What we will do

Our Vision

Our Outcomes

- Outcome One**
 - Children, young people and families enjoy the best possible mental, emotional and physical health
- Outcome Two**
 - Children, young people and families feel safe and behave safely
- Outcome Three**
 - Children and young people have high aspirations and are able to achieve their full potential

Our Priorities

1. Help children to live in safe and supportive families
2. Ensure that the most vulnerable are protected
3. Improve achievement and achievement gaps for vulnerable children
4. Increase numbers participating and engaging
5. Improve outcomes for children with special educational needs and/or disability
6. Support children to have the best start in life and be ready for learning
7. Support schools and settings to improve attendance and develop positive behaviour
8. Encourage physical activity and healthy eating
9. Promote sexual health
10. Minimise the misuse of drugs, alcohol and tobacco
11. Provide play, leisure, culture and sporting opportunities.
12. Improve mental health and well being
13. Reduce crime and anti-social behaviour
14. Increase participation, voice and influence

How we will achieve

How we will know

1. Number of children in poverty
2. % of early help plans with positive outcomes
3. Rate of children in care
4. Rate of children with child protection plans
5. Number of children supported by the Family Intervention workers
6. Rate of repeat referrals
7. Rate of repeat child protection plans
8. % with good achievement at the end of primary school
9. % achieving Basics attainment
10. % with Level 3 qualifications at 19
11. High attainment of vulnerable children
12. Primary and secondary school attendance
13. % of Young people NEET/not known
14. % of new school places in good and outstanding schools
15. Destinations of CYP with SEND
16. % with good level of development in Early Years
17. Number of exclusions from school
18. Obesity levels at age 11
19. Free school meal uptake in primary and secondary
20. Teenage pregnancy rates
21. Rates of under 18s alcohol related hospital admissions
22. Surveys of children
