 - ii) the likelihood of anything occurring or not occurring;
 - e) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner.
4. The responsible person shall ensure that no alcohol is dispensed directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of a disability).
5. The responsible person shall ensure that free tap water is provided on request to customers where it is reasonably available.
6. 1) The premises licence holder or club premises certificate holder shall ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol.

Conditions attached after a hearing by the licensing authority

1. The holder of the premises licence, or an agent on behalf of and under the authority of the licence holder, shall produce an event safety and operational plan (hereinafter referred to as 'ESOP').
2. The ESOP shall, amongst other matters, address the methods by which the licence holder proposes to manage the following matters in accordance with the licensing objectives:
 - crowd safety;
 - procedures in the event of emergency;
 - the reduction of crime and disruption of the supply and possession of drugs;
 - regulation of the number of persons on the event site;
 - stewarding;
 - the responsible sale of alcohol;
 - the welfare of persons working at the event site;
 - missing persons and the safety of children;
 - ticket sales and conditions of entry;
 - the provision of first aid;
 - accident reporting procedures;
 - the control of noise and the prevention of public nuisance;
 - the prevention of fire;
 - the use of fireworks;
 - the safety of food;
 - the control of litter;
 - sanitation and the disposal of waste;
 - the safety of temporary structures;
 - traffic management;
 - provision of facilities for disabled persons;
 - the structure for the operational management of the event, including the composition and functions of the event liaison team (hereinafter referred to as 'ELT');
 - the responsibilities of personnel engaged at the site.
3. The ESOP shall be revised on an annual basis and, with effect from 2012, a draft version of that document shall be circulated to all responsible authorities, and to the licensing authority (Isle of Wight Council), not later than 120 days before the start of each Isle of Wight Festival event (hereinafter referred to as 'event').

4. Following the circulation of the draft ESOP, the licence holder, or an agent on behalf of and under the authority of the licence holder, shall consult with all responsible authorities and shall take due account of any representation made by a responsible authority regarding the content of the document.
5. With effect from 2012, subject to conditions 7 and 8 below, the ESOP shall be finalised not later than 56 days before the start of each Isle of Wight Festival event and shall be circulated in final form to all responsible authorities and to the licensing authority.
6. The Licence holder must obtain written approval for the Event Safety and Operational Plan from the Licensing Authority at least 14 days prior to the event.
7. Where, following the submission of the final version of the ESOP (as required under condition 5 above) but prior to the commencement of the event, the licence holder considers it necessary to make any adjustment to the ESOP, the proposed adjustment shall be notified to the licensing authority, who may notify the relevant responsible authority. No adjustment shall be made to the ESOP unless it is agreed with the licensing authority.
8. Where, during the course of the event, the licence holder considers it necessary to deviate from any provision within the ESOP, the matter shall be brought to the attention of representatives of the relevant responsible authority or authorities within the ELT who may approve such deviation. Any such decision shall be documented by the ELT and such approved deviation shall not constitute a breach of condition 10 below.
9. The licence holder may at any time prior to an event provide appropriate information to accompany the ESOP. This may include appendices to the plan detailing such matters as the names and contact details of persons engaged at the site. Nothing in the conditions of this licence shall prevent the continued flow of information, especially where such information could not reasonably have been known to the licence holder prior to 56 days before the event.
10. Where a person placed under a positive obligation to comply with a provision of the ESOP fails to do so, the failure shall be regarded as a breach of this condition of the premises licence, provided that the failure on that occasion amounted to a failure to promote one or more of the licensing objectives.
11. Any proposed alteration to the following matters shall not be made during the period of the premises licence except by formal variation of the licence:
 - The number of days over which the event takes place each year (save for any decrease);
 - The hours the licensed area is open to the public for licensable activities (save for any decrease);
 - The hours during which licensable activities are to take place (save for any decrease);
 - An increase in the total noise output from stages at the event site beyond that permitted pursuant to the provisions of the pre-existing ESOP;
 - Material changes to the general location of the stages from those identified in the pre-existing ESOP;
 - The overall public capacity;
 - The perimeter of the licensed area;
 - Change of the designated premises supervisor.

12. (Added at review hearing Dec 2012). The Licence Holder shall, with effect from 2013, and subject to conditions 7 and 8 of the licence publish a public facing document based on the ESOP to ensure that local residents, local councils and Island residents are kept informed. The public facing document shall be produced not later than 56 days before the start of each Isle of Wight Festival Event.
