

"It keeps me out of the house".

Feedback from the Game Zone sessions

---

"Gaming = Life!"

"The short breaks mean I get to have a biscuit and a cup of tea. Also, I like playing Minecraft and like watching films. I also like coming along for meeting people and the best part is playing Mario Kart Wii which means I am able to challenge my mates".

"I think it is quite fun, getting to socialise while playing games. This is the reason I like coming along to the club. And it is also the best part".

"Game Zone is really to good to on a Thursday and everybody is friendly!"
