February 2015 Newsletter
For Children & Young People with Additional Needs (0-25yrs)

FIZ offers a Free Impartial Information & Signposting Service for Children and Young People (up to 25 years) with Learning Difficulties or Disabilities and their Families.

- Provide families with information on activities, events, news and issues that are relevant to their needs.
- Issue regular newsletters.
- Support parents to find appropriate childcare or day care services.
- Support parents to access alternative funding to meet family needs.
- Benefit Health Check – this informs families of potential benefits that they may be entitled to.

Contact: Telephone 01983 821999, Email: familyinfozone@iow.gov.uk,
Or drop in at 11 Orchard Street, Newport PO30 1JZ (by the bus station & Lord Louis library) 9.30am to 4.00pm Monday to Friday (excluding public holidays). No appointment necessary.

Short Break Activities

The Short Breaks service on the Isle of Wight provides a range of fun and exciting activities and opportunities for children and young people with disabilities and/or additional needs.
These activities range from after-school, evening, weekend and during the school holiday for children and young people (0-19th birthday). These activities provide a ‘short break’ for the family or carer whilst their child or young person is participating in a safe and fun activity which meets their needs.

In order to participate in any of the short breaks activities you must meet the eligibility criteria. Your child or young person is eligible to access the Short Breaks programme if they;

- Have a disability and/or additional needs and may require support to participate in leisure and recreational activities.
- Are aged between 0-18 years (up to the 19th birthday).
- Live on the Isle of Wight and/or attend a school on the Isle of Wight.

If you have any questions or are unsure what support your child may be entitled to, then contact the Family Information Zone (FIZ).

How to Register for Short Breaks

You will need to register for a gateway card to use any activities funded by our short break programme. You will also need to show activity providers your child’s gateway card when booking/attending.

Each gateway card contains a unique reference number which will be specific to each child or young person.

Gateway card benefits

- Gives your child or young person access to a range of short breaks activities
- Enables your child or young person and family to book our Short Breaks facilities (caravan, beach hut and lodge)
- The gateway card identifies to activity providers that your child or young person has a disability and/or additional needs and may require support to participate within the activity
• The information you provide helps us plan short breaks so that there is a fair distribution across the Isle of Wight

Parents/carers and siblings do not require a gateway card to support their child or young person in accessing the Short Breaks programme.

For more information and to apply for a gateway card go to www.iwight.com/shortbreaks or contact: Family Information Zone (FIZ) 11 Orchard Street, Newport Isle of Wight PO30 1JZ. Tel: 01983 821999.

**Short Breaks Taster Sessions**

Short Breaks child supporters offer one-to-one support along with a wheelchair accessible car to support children and young people participating in an activity of their choice for up to four sessions.

To receive Short Breaks taster sessions a representative from a public, commercial or voluntary organisation must refer the child or young person to the Short Breaks team. This includes; activity leaders, CAF lead professionals, Family Information Zone, teachers, teaching assistants, Short Breaks providers and many more.

*Listed below are the current Short Break Activities*  [www.iwight.com/shortbreaks](http://www.iwight.com/shortbreaks)

Cost £5 per child

Contact: Gillian Elsom - Tel: 07795517049 email: legoclub.iw@hotmail.co.uk

Bodster – Equine Assisted Learning CIC  Ages 5 - 18

Our courses involve a series of fun activities where learners interact with the ponies/horse on the ground. There is no riding involved during sessions. The learners who come help to devise the activities they take part in. For example they may spend some time simply observing the horses in the field and noting what they hear, see and smell. They may make an obstacle course which they then work as a team to take the horse/ pony around. They may work with other learners to put a headcollar on a horse or they may carry out an experiment with various food types to see what the horses like.

The learners look at how to safely lead a pony and how to communicate with it calmly and gently. We often devise as a group with learners leading games where we work as a team. Some learners may work with a horse in the ‘round pen’, working on how through their behaviour they can encourage a horse to choose to be with them loose without a headcollar on. The learners who carry out this type of exercise can then relate this to their everyday lives and look at how they can through their behaviour affect how people behave around them.

Courses run every Saturday from 10 January to 28th March 2015 (Please note dates may be subject to change, please contact us to confirm).

Half-day sessions (10am to 12.30pm or 12.30 to 3pm): £7.50 per learner.
Whole day session (10am to 3pm): £15 per learner.
Half-hour one-to-one sessions are available for £7.50 per learner; please contact us to find out more.

Pony fun days available during school holidays, please contact us to find out more.

If coming for the morning session on a Saturday feel free to bring a drink and snack for tea break. If coming for a Saturday afternoon or all day session please bring a pack lunch.

**The Action Station 18-25 years**

Ventnor – based St Catherine’s is offering a new life skills and leisure programme for young adults at home and in the wider community, which is registered with the Care Quality Commission. The programme is for young adults living on the Isle of Wight aged 18 – 25 who have speech, language and communication needs and associated conditions such as autism and Asperger Syndrome.

St Catherine’s can provide one-to-one and small group support at a cost of £15 per young adult per hour – a rate which is in line with current provision of a broadly comparable nature. In addition, mileage incurred by support staff is charged at 40 pence per mile.

Additional group activities – with other young adults aged 18 and over – can be arranged as appropriate offering opportunities for wider social interaction such as evenings out – e.g. bowling, cinema, meals. The cost for this activity would be £20 per young adult per 3 hour session plus the cost of the activity.

For more information or an informal discussion please contact: Gloria Grant, Head of Care on 01983 852722

---

---

**AIM  Autism Inclusion Matters  18+years**

**What is AIM?**
AIM is a group on the Isle of Wight for adults (over 18) who have Autism or Aspergers, also known as an Autistic Spectrum Disorder (ASD) or Autistic Spectrum Condition (ASC). It is not a group for parents or carers, or professionals. AIM is a user lead group. This means that with support, people who have ASD will decide what happens in the group and help to run the groups.

**How can I be involved?**
We now have funding for a social group. This used to be called ‘The ATeam’ This social group is aimed at helping people who have ASD who may feel lonely, or find it difficult to meet people and make friends. The group will choose where to meet together and what activities to do. We will support members to find people who have shared interests, and build friendships. We hope to have a range of activities that are chosen by members. We hope that this group will become run by its members and we encourage anyone who wants to help in any way to run the group to let us know.

We also have an advocacy group, to listen to what adults with ASD have to say about life on the Isle of Wight, and to make changes. We are creating new ways of doing this to involve more people, to listen to more people and to make sure that services and businesses listen to what you have to say and act on it.

AIM is supported by a partnership between Way Forward, Positive Difference and People Matter IW. These organisations work together to support the group.

If you would like to be involved, or have more information about any of our groups or activities please contact: the AIM co-ordinator on 01983 523000 or Email: aimisleofwight@gmail.com

**IOW Tourettes Support Group**

Tourettes Action has a growing network of support groups in England, Wales and Northern Ireland coordinated by volunteers with Tourette Syndrome (TS) or who have a family member with TS. Meeting others for support, information sharing and friendship has helped many people with TS, a condition that can be isolating. Talking with others who understand can help with self-esteem, confidence and general wellbeing.

There is now a support group on the Isle of Wight. A support group that offers a warm welcome to children and adults with Tourettes Syndrome, their families, friends and carers. Meeting at Rookley Village Hall, Highwood Lane, Rookley PO38 3NN

For further information contact emma@tourettes-action.org.uk. Find us on Twitter @TicForTourettes or IOW Tourettes support group on Facebook
Cowes Sailability Club
Cowes Sailability Club was formed to promote and facilitate water sports for Island people with disabilities. We are hosted at Cowes by the Cowes Corinthian Yacht Club and operate on Monday afternoons and evenings throughout the season and on other days as advertised in our programme. We have Club nights, for talks and lectures, and Day Cruises around the Solent.

For further information please contact: cowessailability@btinternet.com  c/o Cowes Corinthian Yacht Club, 39 Birmingham Road, Cowes, PO31 7BH Tel 07850090244 (Hon Sec) www.cowessailability.btck.co.uk

OCD Support IW 14+years
The principal aim of the group is to provide help, information, resources, support and encouragement for young people, their families and adults affected by OCD. Membership of the group is open to anyone affected by Obsessive Compulsive Disorder over the age of 14 years primarily living within the Isle of Wight. Young people must be accompanied by an appropriate adult. Meetings are at Age UK (IW) offices at St Thomas Chambers, 147 High Street, Newport.

Meetings are held: monthly on a Sunday 2.30pm - 4.30pm & monthly on a Tuesday 6.30pm - 8.30pm

For more information contact: Brian Taylor - Tel: 07870 171990 Email: briantaylor1938@talktalk.net

Isle of Wight Table Tennis Centre  Inclusive Table Tennis Sessions  Ages 7+
Each session will cost £2.50. Please wear non-marking shoes. Equipment supplied. Coaching sessions can be arranged.

Monday, Wednesday & Friday evenings from 6.30pm to 9.00pm at Ashey Road, Ryde, PO33 4BH

Contact Martin Dove on 01983 299308 or e-mail martin.dove@blueyonder.co.uk for more details

Isle of Wight Deaf Children’s Association
A charity formed in 1965 to offer help and support to parents of children diagnosed with hearing impairment. We are affiliated to the National Deaf Children’s Society (www.ncds.org.uk)
Chair: Sarah Teague sarah.iwdca@gmail.com

Saturday Club for Deaf Children
This group holds monthly meetings where all activities are tailored to improve language and communication, providing a social setting for deaf children.

Visit the web site for contact information www.saturdayclub.org.uk

Luke Steen Music & Tuition
I offer tuition to others to develop their potential in music. I am a graduate musician experienced in many different musical genres, instruments, styles, situations and scenarios.

Personal tuition could be on drums, acoustic guitar or bass guitar and I can take you from beginner to proficient performer, focusing on the style of music you particularly enjoy. Or perhaps just learning your favourite pieces of music?

If you are interested in the tuition I can offer, please don't hesitate to contact me via www.lukesteen.co.uk or Tel: 07812064407 or (01983) 521247
**Matt Russell Ice Skating Instructor**

I am a level 2 N.I.S.A. instructor with first aid and a CRB check. I have been skating for over 17 years and have experience of teaching children and young people with additional needs. I can offer 1:1 lessons.

For more information please contact me on 07890 546619 or email: matt_russell2212@hotmail.co.uk

**Way Forward Programme**

The Way Forward Programme is able to offer a whole range of activities to help support people with a learning or physical disability within our community. We offer a seven day a week support service that will focus on supporting adults and young people to build the skills and confidence needed to live as independently as possible. The care and support is provided using personal budgets, our staff team are experienced and committed to delivering a quality service providing daily activities within our activity centre based at Downside Community Learning Centre.

We also offer a personalised support service where an individual can have 1:1 or 2:1 support to undertake activities within the centre or within the community. We provide a wide range of activities within the community for people to get involved in as well as having our own community kitchen for life skills development. If you are over 18 we offer respite care for overnight stays, weekends away or holidays, you choose the destination and we organise and provide the care, you will be picked up from your door supported during the duration of your time away and brought back to your door. If you are aged 12 – 18 then we are able to provide respite care during the day or evenings, weekends or during the school holidays. We will work closely with families and carers to ascertain the best time support will be needed and focus on individual needs; unfortunately we are not able to carry out personal care at this time.

SEND Reforms: the biggest change in SEN law for 30 years

What is happening?
The Children and Families Act will change the way in which children and young people with Special Educational Needs and disabilities are supported at school and in the community. The Act will be implemented in stages starting in September 2014.

When is this going to happen?
The law will start to change the arrangements in September 2014. It will take some time for local areas to make all of the changes that are required, so changes will take place over a number of years.

What is in the Act?
The Act responds to concerns parents carers have raised about the SEND system over the last few years. It includes some key principles to improve parent carers experiences. These include:

- **More Participation:** it includes new responsibilities on local authorities and others to make sure parent carers and young people are much more involved in decisions that affect their lives. It also makes clear that local authorities and health partners should work with parent carers and young people to improve services across their local area for example through the parent carer forums.

- **Better Outcomes:** the Act requires education, health and social care services to look at how they support children and young people in a way that improves progress and supports the outcomes they want and need in their lives.

- **Better joint working:** the Act requires services that families use, in particular education, health and social care to work more closely together and commission services together. This should improve the experiences of children, young people and their parent carers.

What does this mean in real life?
**Education, Health and Care Plans** will replace Statements of Special Educational Needs and Learning Disability Assessments (LDAs). From September 2014, no new statements or LDAs will be available. In stages, over the next few years, children with an existing statement will have their statement transferred to an Education, Health and Care Plan. There will be agreed procedures for the changeover and parent carers and young people will have a say in these. Existing rights, for example rights of appeal, will continue during the transfer.

**Education, Health and Care Plans** can continue to support young people up to the age of **25** if the Local Authority considers that the young person needs more time to complete their education or training.

**SEN support** will replace School Action and School Action Plus. Schools will still be required to identify children who need additional support, involve parent carers and children and young people in planning how to meet these needs and call on specialists from outside the school when they need to.

**Local offer from September 2014** - every local authority will be required to have a "local offer" which informs parent carers and young people with SEN or disabilities what is provided in their local area, including what to expect from local early years providers, schools, colleges, health and social care. In addition it will include information on how decisions are made about how services are allocated, how to request a personal budget, how to access more specialist support and how to complain or appeal. Local authorities must involve parent carers, children and young people in developing their local offer.

The Local Offer for the Isle of Wight can be found at: [www.iwight.com/localoffer](http://www.iwight.com/localoffer)

**Information and advice** - Local authorities already have to make information and advice available to parent carers about SEN, through parent partnership services. From September, local authorities must make information and
advice available that also covers disability, health and social care and is also available directly to young people as well as parent carers - building on the services (like parent partnership services) they already have in place. Families with children or young people going through a statutory assessment leading to an education, health and care plan may also be able to get help from an Independent Supporter - someone who doesn’t work for the local authority who can help parents and carers, and young people, through the process.

The Independent Support Programme on the Isle of Wight is based at the Isle help Centre, High Street, Newport PO30 1UD. Their contact details are:
Telephone: 01983 823898 (Monday – Friday 9.30am – 2.30pm)
Email: independantsupport@peoplematteriw.org

Alternatively you can contact the Parent Partnership Service: Tel: 01983 825548
Email: parentpartnership@iow.gov.uk

Other changes - there are lots of other changes, but these are some of the main ones. There are also things that are not changing, for example the disability discrimination duties in the Equality Act are the same as they were before the SEND reforms started.

How can I find out what early years providers, schools, colleges, social care and health should do?
A new SEND Code of Practice has been published which sets out how decisions should be made for children and young people with Special Educational Needs or disabilities. This is statutory guidance and early years providers, all schools, colleges, local authorities and health partners must have regard to it when they decide what to do.
For more information have a look at Contact A Family: http://www.cafamily.org.uk/advice-and-support/sen-national-advice-service/the-sen-process/

How can I get involved?
Parent and carers can get involved in their local area by:

- Joining your local parent carer forum Parents Voice IW and make a real difference by sharing ideas and thoughts. www.parentsvoice-iw.co.uk
- Talk to the SENCO at your child’s school or the person responsible for SEND support at your college and find out what they are doing to prepare for these changes.

Bust the myths around the SEND reforms.
There is a range of myth busters that have been produced by the Council of Disabled Children to help clarify concerns parent carers may have, or have been told might result from the changes. You can find them at
http://www.councilfordisabledchildren.org.uk/media/529424/top-cf-bill-myths-ehc-plans.pdf

If you have any questions please contact FIZ on 01983 821999
