## Third Sector Glossary

Source: A Strategy for Creating a Thriving Environment for the Voluntary and Community Sector on the Isle of Wight. April 2009

Back office functions	The internal and administrative functions of an organisation.
Capacity building	Building the potential for voluntary organisations to respond to
Capacity ballang	the needs of the community they serve
Compact Implementation	The CIG will be a forum for those managers and representatives
Group (CIG)	who oversee the roll-out of the action plan that will deliver the
	voluntary sector strategy.
Compact Strategy Group	The CSG is the lead joint body with responsibility for making sure
	that the strategy is followed. The CSG is sponsored by the Island
	Strategic Partnership; its members are senior representatives of
	the partners in the strategy.
Compact way of working	Partners will treat each other on a day to day basis with trust,
	mutual understanding of priorities and needs; transparency,
	fairness and good communication. This will be supported by
	investment in governance and an effective Local Compact.
Commissioning	The process of identifying needs in the community and making
	arrangements to meet them with services. This often means that
	commissioners will procure goods and services.
Commissioning	The Commissioning prospectus is an invitation to the voluntary
Prospectuses'	and community sector to bid to deliver goods and services. Any
	bid won by a group is regarded as grant funding.
Community Asset	The IW Council will have a strategy for transferring the ownership
Transfer Strategy	of buildings and other assets to the sector where there is a
Community	proven benefit to the community by doing so.
Community	Helping members of a community to exercise their rights and powers as citizens in order to achieve their personal goals and
empowerment	those of the community.
Community development	Help for and by people in communities who will benefit from
community development	identifying their needs and subsequently to create change, exert
	more influence in the decisions which affect their lives. They work
	to improve the quality of their lives and communities.
Consortiums	An association or collaboration for some definite purpose.
	Organisations may join together to pool resources, skills and
	knowledge.
Council for Voluntary	An organisation that assists voluntary sector organisations with
Service	technical advice, information and training, to assist with the
	delivery of their services to a wider public. It also represents the
	views of the voluntary sector and campaigns on behalf of the
	sector locally, regionally and nationally.
Eco Island	The name of the Isle of Wight's Sustainable Community Strategy.
Engagement	Working together in a joint and collaborative way.
Employers Supported	Employers make arrangements for staff to contribute their time
Volunteering Scheme	and skills to local groups and communities in an organised way.
Funding	Resources are available to the voluntary sector in grant form and
	in return for undertaking pre-arranged tasks. This might be through contracts, service level agreements and grants. Funding
	may come from large organisations such as the lottery fund, or
	from local Councils.
Governance	The arrangements for democratic or legitimate oversight and
	management of a project, institution or strategy etc.
Grant Funding	Grant funding will increasingly be used for relatively short term or
	time limited projects.
Infrastructure	This covers; -buildings and their management, -back office
	functions, -workforce development, -skills, -information.

Island Infrastructure	An IWRCC group that maximises opportunities for investment in
Group	the Island's voluntary and community sector.

Isle of Wight Rural	Support the 1,500 or more voluntary and community
Community Council	organisations that work so hard for the benefit of the Island and
(IWRCC)	its residents. It also directly supports communities themselves
· /	and has a strong focus on the concerns of rural communities.
Knowledge transfer	Passing skills from one organisation to another, including IT,
The weage transfer	marketing and training.
Local Compact	An agreement on the relationship and conduct of business
	between the voluntary and community sector and the Isle of
	Wight Council. An update will give an opportunity to other public
	sector organisations to join the compact
NCVO	The National Council for Voluntary Organisations is a national
	body that represents the voluntary sector.
Neighbourhood	Improving the quality of life of communities by using social and
regeneration	economic investment and development, as well as building the
	communities' capacity to develop and take a role in change.
Networks	The Voluntary Sector has established a number of forums or
Networks	networks that will represent communicate and share the interests
	of the forums. I.e. the culture and heritage form.
Partnership Boards also	The ISP has four Partnership Boards that are responsible for
known as KDPs	delivering the Eco Island strategy on the ISPs behalf.
Procurement	The process for purchasing goods and services. Public
	procurement has many rules and procedures that act as a
	deterrent to small organisations.
Public sector	Public institutions that are funded through taxation i.e. The IW
	Council and the NHS.
Social enterprises	Not for profit organisations that reinvest their surplus income into
	non-commercial causes (social, cultural and environmental) or
	back into the enterprise.
Sustainable Community	A plan for an area that sets out how people and organisations will
Strategy	make their area and community a socially, environmentally and
	culturally sustainable and successful place.
Trustees	The people or institutions responsible for the governance and
	administration of a trust or non-commercial organisation
	governed as a trust.
Voluntary and community	Value driven not for profit organisations that have non-
organisations	commercial objectives. This can include social enterprises but
-	also normally includes the many organisations that exist to
	promote or deliver benefits to local communities through
	voluntary not for profit activities.
VCO	See voluntary and community organisations above.
Voluntary Sector Cabinet	A leadership body elected by the Island's voluntary and
-	community organisations, appointed to represent the sector ion
	its dealing with the wider public sector and community.
Volunteer Centre	See Council for Voluntary Service above.
Volunteering	Giving time and the resources needed to take part in activities
	that benefit the community.
Work shadowing	An opportunity for people from different organisations and
	backgrounds to experience the role of someone from another
	organisation or background.
