

Post Title	Trainee Approved Mental Health Professional						
Job Family	Service Delivery	Pay Range	10	Line Manager to others?	No	Role profile ref	SD10
Service Area	Adult Social Care						
Line Manager	AMHP Manager						
Location	All Island						

Job Purpose

To offer the opportunity for a qualified Social Worker, Nurse, Occupational Therapist or Psychologist to undertake the AMHP training which is set at master's level. In order to be fast tracked for this training you will be required to hold a small caseload in the Mental Health service to learn all aspects of social care in a statutory organisation, whilst supporting all aspects of the AMHP duties under the Mental Health Act. 1983.

Job Context

- To facilitate and support individuals to complete a needs assessment using a strengths-based approach, which focuses on the skills and abilities, considers their networks of support both within families and the wider community. To consider approaches / early interventions which delay or prevent the development of needs in individuals, such as through universal services in the community, specific preventative services and information / advice on services available locally.
- To support individuals in the development of independence plans using a person centered approach in liaison with statutory and non-statutory / voluntary agencies, utilising a wide range of tools and options available to support the person in determining their own outcomes and how they could be met.
To consult and work effectively with other professionals in order to identify and meet service user / carers needs, positively contributing to the achievement of joint working practices.
- To undertake Safeguarding enquiries and establish protection plans. To undertake safeguarding reviews and to ensure all recording is accurate and timely.
- To hold a caseload of a level of complexity and provide case management, guidance, support, supervision and expert advice to social care staff and students, as and when required.
- To assess and manage risk to individuals, families, carers, groups, communities, self and colleagues.
- Apply policies, procedures, codes of conduct and practice in a range of settings and locations as required.
- Undertake statutory duties under the, Mental Health Act, Mental Capacity Act Care Act 2014 and other legislation and guidance.
- Encourage, develop and maintain effective working relationships with service colleagues and those in a wide range of partner agencies and services. Promote multi-disciplinary working partnerships, sometimes acting as a liaison between the council and other health and social care partners.
- Maintain a positive and professional attitude and approach that will enhance the professionalism, quality of service and image of the council.
