January 2023

Dear Applicant

RE: Learning Support Assistant

Thank you for downloading/requesting an application pack. Application forms should be completed and returned to the school by 12 midday on Friday 27th January.

Background

St. George's School is a secondary school catering for pupils aged 11-19 years who have moderate, severe, complex and profound learning difficulties including sensory impairment, physical disability and autism.

We aim to offer a safe environment where learning is to be enjoyed and create a climate where everyone is a learner, whether it be the youngest pupil or the most experienced member of staff. We try to treat each person as an individual, recognising skills and needs, whilst encouraging and challenging all to make the best of every opportunity. Information about the school can be found at www.stgeorges-school.co.uk

IMPORTANT: St. George's School is committed to safeguarding and protecting its pupils and as such, all staff have a duty to keep young people in their care safe. The successful candidate will be appointed subject to an enhanced DBS check. Please note that a full employment history is required, accounting for any gaps.

Two referees are required, both of whom should know you in a professional capacity. Character references from friends and family are not accepted. References will be requested prior to interview.

Yours faithfully

S.J. Gleeson
