Date: 6th October 2022

Dear candidate,

I am delighted that you have requested an application pack, and are considering whether you wish to further your teaching career here with us at Wroxall Primary School.

Wroxall is a small village primary school with five mixed-age classes. We pride ourselves on our CARE values (Challenge, Achievement, Resilience and Enjoyment) and are seeking a candidate who shares our commitment - *to teach the right things, to the right children, in the right way and at the right time.*

Wroxall is a reflective school community focused on high expectations for all children. We are seeking a new team member who shares this passion for excellence. The successful candidate will need to be: keen to develop their teaching and subject leadership skills; proactive in raising standards of attainment and will embody our vision of providing the very best for each and every pupil. We are seeking an excellent teacher who has energy, enthusiasm, drive and dedication to join our team and truly make a difference to future outcomes for our children.

The role advertised is a class teacher post within a mixed key-stage 2 class. Please read the Job Description and Person Specification carefully and complete the application form, giving as much relevant information as you can.

Visits to the school are recommended. Please do feel welcome to contact the school office via email or phone to arrange this. Thank you for taking the time to enquire about the opportunity to join our welcoming and dedicated team.

I look forward to receiving your application.

Yours sincerely

Lynn Torrance - Headteacher
